

Application No. 10/675,004  
Amendment Dated: February 28, 2006  
Reply to Office Action of: February 2, 2006

**REMARKS/ARGUMENTS**

Applicant respectfully requests that the Examiner reconsider the restriction requirement and withdraw same.

According to the Examiner's restriction requirement, each of Groups I, II, III and V is classified in Class 435. Consequently, there would not be any significant burden imposed by examining all of the claims in the application, since it is clear that the subject matter of each of the groups is highly related.

Accordingly, Applicant requests that the Examiner proceed to examine all of the claims.

Respectfully Submitted,

Tin Yum Joseph Wong et al
